Ok, so you've got your social media profiles set up; now what?!? Not sure where to begin with social media or where to find content? Bank some content and get off to a great start with my **Content Bank Kickstart!**

Here's what you get in this must-have, done-for-you starter pack, all delivered to your inbox as a link to a zip file:

- A customized, weekly-based social media plan you'll use again and again for planning your content
- Visual media, content ideas & resources and more, including:
 - 3 illustrated quotes PLUS 1 blank canvas, aligned with your branding, for you to use with PicMonkey, Canva, etc to create MORE illustrated quotes
 - Full page of additional text quotes relevant to your industry
 - 3-4 starter pieces for each of the other daily categories in your weekly plan (not the quotes category)
 - Suggested resources and procedures for how to get MORE of the same moving forward

Your *completely customized* social media plan and canvas(es) are yours to use FOREVER. This is no generic, one-shot deal that loses its value after the initial 28 day period. This is not canned content, but content created and curated specifically with YOUR business and branding in mind.
