

We're In This Together: Web Presence Support Program

 yourwebchick.biz/web-presence-support-program/

If you need someone who'll work **ONE-ON-ONE** with you to help you meet the challenges of your small business' online presence (including your website, social media and/or email marketing), have I got the package for you!

Here's what you get over the course of this 3-month web support program:

- 90 minute strategy session, conducted by phone with remote screen sharing, to audit the web design, social media and/or e-mail marketing components you currently have in place and discuss where enhancements can be made
- 5-45 minute private follow-up calls to review progress, answer questions and troubleshoot issues you have encountered; 1 the first month, 2 each in the second and third month
- Review and feedback on up to 3 blog posts/web pages (1 per month)
- Limited email support throughout the 3 month program (quick questions)
- 1 unscheduled "lifeline" phone call (up to 15 minutes) at any time during the program
